Dear Donor:

You make a difference every day for young athletes in greater Manchester.

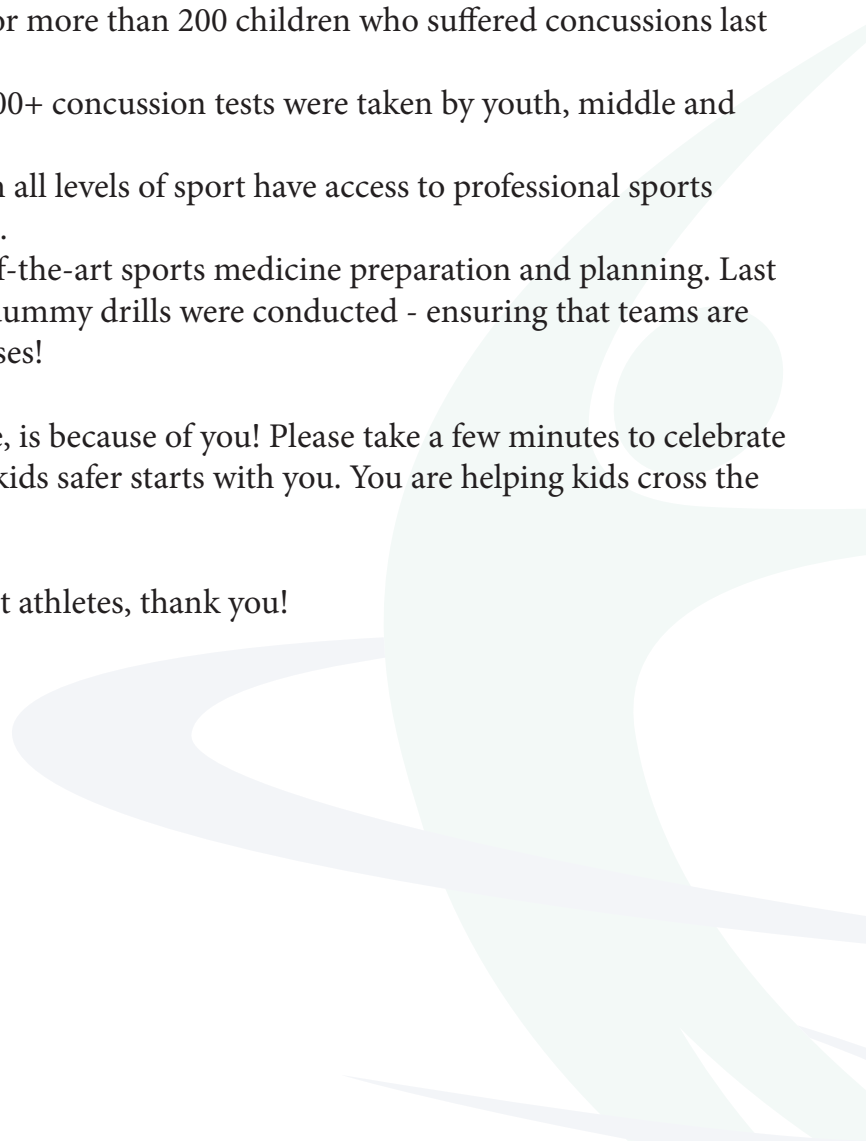

- You put athletic trainers onsite at to care for young athletes for 9,577 hours last school year!
- Your support meant Safe Sports Network's Youth Concussion Management expertise was right there for more than 200 children who suffered concussions last year.
- Because of you, 3,300+ concussion tests were taken by youth, middle and high school athletes.
- Young athletes from all levels of sport have access to professional sports medicine because you care.
- You provide state-of-the-art sports medicine preparation and planning. Last year nearly 100 drop-the-dummy drills were conducted - ensuring that teams are ready if a teammate collapses!

All of this, and much more, is because of you! Please take a few minutes to celebrate yourself. The race to keep kids safer starts with you. You are helping kids cross the finish line safely.

On behalf of 6000+ student athletes, thank you!

Sincerely,

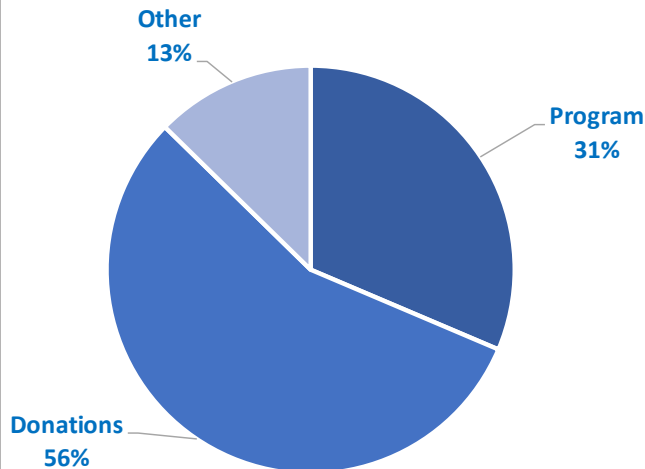

Laura C. Decoster, ATC
Executive Director

This is Trevor

Not Quite the Way Trevor Imagined Starting the 2017 Season!

Although most kids left Gill Stadium after the Manchester Varsity Football Jamboree with no more than the usual football-game soreness, there were several injuries over the five exhibition games. One example: Trevor J. put his hand out to brace his fall like he has hundreds of times. But this time, his elbow just collapsed. He was evaluated by Safe Sports Athletic Trainer David Moreton, and treated on the sideline before being sent to urgent care for x-rays and pain management. Rest, strengthening, functional rehab and mental toughness got Trevor to the point you see in the photo above - back on the field, with his elbow protected, just weeks later.

Thanks to contributions from donors like you, Safe Sports Network has been at the Queen City Jamboree every year for the past 25 years... caring for injured athletes like Trevor.

On behalf of Trevor and all the athletes you helped:
Thank you for your generosity.

“There are no words to describe my gratitude for what you did and how you helped my son. Your calmness helped me remain calm, your gentleness with Doug was truly special. He never gets hurt....never....so it was an extremely scary few moments for us. THANK YOU for making a difference that day! GP - Parent

Thank you, 2017 donors!!

You make it possible for young athletes to have the care they need.

**The race to
keep kids safer
STARTS WITH YOU!**

You can help kids get
to the Finish Line safely!

You Made a Difference in 2017

Athletes step on a field, rink or court under the watchful eye of Safe Sports athletic trainers about 100,000 times a year.

Grant funding provided updated CPR dummies and gave the Safe Sports Drop-in Clinic a new home and concussion testing computers - and hundreds of kids took advantage of your generosity.

Collin L. talking about what *his heart* felt like when he was hurt and couldn't play.

Collin talking about what it felt like when he made it back into the lineup. Can you SEE the difference you made? **Doesn't he have a great smile?!**

If Collin could talk to you directly, he would give you a big **THANK YOU** for being there for him when he needed you.
