FREE SPORTS PHYSICALS

Presented By:

New Hampshire ORTHOPAEDIC CENTER

Please understand that these physicals are designed specifically for sports participation and they are intended as a supplement to, rather than a substitute for, ongoing health care by a family physician or other specialist. These physicals are not designed to treat or evaluate chronic medical conditions. If your son or daughter is presently under a physician's care for any chronic medical condition, he or she must receive clearance for sports participation by that physician. Also, you must understand that there are some health conditions which cannot be detected by routine physical. If you have any concerns about your child's health, you should discuss them with your family physician or other specialist.

Apple THERAPY SERVICES

Physicals will be held at NHOC, 9 Washington Place, Bedford, NH on Wednesday, March 18, 2015. Your child should arrive between 5:30 and 6:30 p.m.
IMPORTANT: Pre-registered athletes will be seen first in order of arrival.
