Dear Donor:

You make a difference every day for young athletes in greater Manchester. Despite the many challenges posed by COVID-19 in 2020, kids still needed you to help keep them safer and on track for success every day!

- You put athletic trainers on site for over 6,500 hours* at 9 high schools to care for young athletes last school year!
- Your support meant Safe Sports Network's Youth Concussion Management expertise was there for over 150 children who suffered concussions last year.
- Because of you, 2,000*+ concussion tests were taken by youth, middle and high school athletes.
- Young athletes from all levels of sport have access to professional sports medicine because you care.
- You provide state-of-the-art sports medicine preparation and planning. Last year nearly 100* drop-the-dummy drills were conducted - ensuring that teams are ready if a teammate collapses!

All of this, and much more, is because of you! Please take a few minutes to celebrate yourself. And remember - your impact doesn't end with graduation. The difference you make for our kids lasts a lifetime!

On behalf of 6000+ student athletes, thank you!

Sincerely,

Amy Hollingworth, ATC, RN
Executive Director

This is Brandon

Brandon, Memorial High golfer and hockey player, has had his fair share of injuries. You made it possible for him to have the care he needed over the last four years.

Brandon's first injury came as a freshman on the Varsity hockey team. He was knocked to the ice and didn't get up right away. Brandon was evaluated on the bench by his athletic trainer. Brandon's mom recalls, "When you see your son go down and stay down, it's one of your worst fears as a parent...I had no idea that there was an athletic trainer right on the bench, ready if players sustain an injury. That was an amazing surprise."

Brandon returned safely to hockey within two weeks. He went on to captain the team his senior year, building strong leadership and teamwork skills along the way. Mom says, "At the core of Safe Sports' mission is to support youth athletes, their teams and their families. They have provided our son and dozens of his fellow high school athletes with incredible support and opportunities." **DONORS, YOU MADE IT HAPPEN!**

"The [Safe Sports] athletic trainer did a great job communicating with our son. Speaking to him in a way that empowered him and made him feel confident... She was amazing!"

A Nonprofit Dedicated to Youth Sports Safety

You Made a Difference in 2020

Your support made it possible for kids to continue getting great care despite new COVID-19 demands.

Even kids who don't get hurt are safer because of your support.

Life-saving Drop-the-Dummy education and drills continued despite the COVID-19 interruption.

Thank you, 2020 donors!!

Every gift supports efforts to improve knowledge and sports safety.
