

2024 Annual Report

Financial Report

"I'm so grateful for the care our family has received from SSN. Chantal built a trusting relationship with each of my kids, helping them through injuries, concussions, and recovery with expert care and great communication. Thanks to her support, two have become Student Ambassadors. She's been an invaluable part of their high school athletic experience.

— Goffstown HS Parent

ESHAYA LAUDER

**SAFE SPORTS NETWORK
PERSEVERANCE AWARD WINNER**

MANCHESTER HS WEST - WINTER 2024-2025

Now a proud Manchester West graduate, Eshaya's journey is a powerful reminder of what's possible when young athletes have access to the care they need to succeed!

Throughout her high school track career at West, Eshaya L. faced multiple injuries and setbacks, from a significant hamstring strain early on to recurring challenges that tested her resilience. Each time, she turned to her Safe Sports athletic trainer for expert care, support, and guidance. With determination and hard work, she overcame every obstacle, rebuilding her strength, confidence, and love for the sport. Her dedication culminated in a PR jump at the USATF meet, earning her a coveted invitation to the New Balance National Indoor Championship.

Participation in sports—in part, because of the adversity that kids often encounter—helps kids develop into determined and successful adults.

Seems like Eshaya is well on her way!

Thank you, 2024 donors!!

You make it possible for young athletes to have the care they need.

2024 Highlights

- Young athletes benefited from a watchful eye on their sidelines for over 12,500 hours.
- Nearly 1,200 new injuries were evaluated by Safe Sports Network staff.
- Athletes received over 25,000 free treatments for those injuries valued at nearly \$1M.
- Ambassadors gained leadership skills, as well as life-saving skills and knowledge about sports safety.

Safe Sports Student Ambassadors for Sports Safety leverage their leadership skills to demonstrate advocacy, citizenship and service in their community. They also learn importance sports safety skills, like CPR, AED and First Aid. These Student Ambassadors learned the importance of proper strength & conditioning while completing a session generously donated by Redline Athletics of Bedford.
